INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

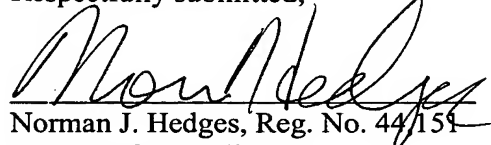

This statement is filed in the application identified above pursuant to 37 C.F.R. §§ 1.97 and 1.98. Applicants call attention to the art references within the knowledge of applicants and their attorneys which are listed on the attached form PTO-1449. No representation is intended that a complete search has been made or that no better art references are available. The filing of this statement shall not be construed to be an admission that the information cited in the statement is, or is considered to be, material to the patentability as defined in 1.56(b). Under §1.98(d), copies of the cited art are not provided herewith because they were previously cited in U.S. Patent Application Serial No. 10/000,203, which is relied on for an earlier effective filing date.

REMARKS

None of the art cited on the attached PTO Form 1449 is believed to disclose or suggest the invention recited in the claims of the above-identified application. It is therefore believed that the claimed invention is patentability distinguishable over these references.

If any fees are necessary in connection with this document, please charge Deposit
